Dear Hala Fua

RE: OOHW-004 Request for Extension

BESIX Watpac request that the duration of Out-of-Hours Work (OOHW) application approved on 22/10/2024 be extended from the initially approved dates of Monday 11th November 2024 to Friday 22nd November 2024 to Monday 11th November 2024 to Friday 29th November 2024.

The extension is requested due to unexpected and unforeseen circumstances during the piling works for the carpark, therefore delaying the demobilisation Fundex piling rig.

Yours sincerely,

Nicholas Papanikolaou
Project Manager
